TO GALERIA AZUR

WHAT WE DO

With more than 14 years of experience in the global modern and contemporary art market, GALERIA AZUR, with the clear objective of contributing to the international legitimacy of artists, seeks to represent established and emerging artists within the framework of historical art narratives.

We also represent a wide range of artists who work with different techniques and themes, including conceptual art, installations, sculpture, abstract art, geometric and figurative art as well as contemporary photography.

We provide personalized representation to our artists, developing the best strategy adapted to their professional evolution, leveraged on our professional career in the art market.

Our galleries are located in cities where art is a main part of the most varied artistic scenes in the world.

BUENOS AIRES

In the last 50 years, Buenos Aires has developed its cultural infrastructure, rising to a level that few cities on the continent have managed to achieve. Thanks to a large number of museums and cultural institutions, shaping a new urban image that was accompanied by important social regeneration operations.

MADRID

Chueca neighborhood has become one of the most fashionable areas in recent years, where artistic manifestations can be found in each of its streets.

120 m2, distributed in 3 rooms on the same level.

Las Letras bears his name as a tribute to the great writers who made life in its

streets during the Spanish Golden Age. There, the bohemia of writing communes with the plastic arts in a large number of cultural spaces. 150 m2, distributed in 3 rooms, on 3 different levels.

BERLIN

Berlin is currently at the forefront of the world's art scene working as an axis of contemporary creativity and production. Berlin is the city where new dynamics of current Art are unleashed and future aesthetics are established.

Located in the thriving neighborhood of Friedrichshain, the nerve center of Berlin's Art District.

200 m2, distributed in a large exhibition space.
